The Ross Gazette

with his fourth, Steve chipped past the pin, Laurie missed his putt

runner was second on countback from Denise Eagle in third with 37 points.

Hockey

Spirited fight ends in defeat

ROSS 1 North Bristol 3 was a very respectable score considering that the opposition was made up of seasoned players.

Ross fielded five of their regular team and six young players with virtually no experience of league hockey.

Tom Minton played very well on the right, both defending and attacking. Sam Warner, who was truly the Man of the Match for his skilful, solid defence, played his first league match.

Ed Rudge showed how passing hockey should be played, he was very active on the left midfield.

Tom Walton supplied Ross with as solid a

defence as possible. His strong flick got the team out of many a tight corner.

Mitch Greenman, usually in goal, showed his talents outside the penalty area. Phil Evans threatened North Bristol's goal on several occasions, one of which paid off. James Adamson passed him an exceptional ball which he coolly tucked in behind the beaten goalie.

Ross plays Gloucester City Club this Saturday at home in another league match.

Sam Warner was Terry's Digital Man of the Match, for his unfaltering defence and ability under fire.
