No Obama lift for Ross 1st XI.

Ross travelled away to play Wotton-U-Edge, quietly confident of a win, how wrong they were. After the first ten minutes Ross knew it was going to be a bumpy ride and the home side certainly didn't show any signs of weakness after several attempts on the goal from Wotton. Ross stepped up their game to link together a series of passes between the midfielders; Tom Walton, Nick Clark, Kristian Franklin and Luke Ward pressed into the home sides half getting it to striker Adrian Williams who played it through to attacker Phil Evans who finished with a clean strike taking Ross into the lead, shortly after an opportunity arose for this lead to expanded on with a short corner being awarded against Wotton unusually Ross didn't score from this opportunity or from any other short corners awarded in their favour the home team sensed this was their opportunity to get back at Ross with a full scale attack on the goal and gained an equaliser, furious that they had allowed this to happen Ross picked up their pace after receiving that kick they needed trying tirelessly to get another goal to take them into the lead using all their pace and skills yet again for Ross opportunities were there but weren't being capitalised on and regardless of their efforts Wotton had rounded the defence; Brian Clare, Richard Jennison, Greg Weston and Sam Warner to score once more against keeper Seb Sullivan who had managed to keep out most of the attempts already made on the Ross goal 2-1 down and the half time whistle blew.

Ross went back on ready to battle for a win in the second half, Wotton take the push back and manage to create another shooting opportunity quickly which was sharply ended by a save from Sullivan. Ross now knew they had to really want to win and again linked together a series of passes using the

wings to get the ball to attacker James Brown who finished with a spectacular reverse hit that flew into the net levelling the field and giving a confidence boost that his team needed. Ross' confidence was knocked once again when Wotton scored their third goal which did cause some problems, sensing now that they could be in trouble if they lost again Ross pulled out all the stops making faster runs creating ample scoring opportunities but were either denied or completely fumbled. In the end it was left up to Sam Warner to level the scores in the closing minutes and ferociously tried to score, then the final whistle blew leaving the scores at 3-3 and left Ross a little disappointed that they didn't have a victory but keeps them in 3rd place in Hereford & Gos Division 1.

Seb Sullivan was awarded South Hereford Motorcaravan Centre Ltd Man of the Match for his goalkeeping and fine saves.
